"Municipalities, Business, Community Groups and Residents lend a helping hand"

McNab/Braeside Disaster Relief Committee heard reports on Wednesday evening which showed that \$23,735 has been donated to the campaign as of January 13, 2010. The donations have come from local businesses, residents, from neighbouring municipalities, and from townships and towns across Ontario. To see the list of donors go to www.mcnabbraeside.com and scroll down to Disaster Relief Committee. Chair Neil Stewart said, " Our committee is very pleased with the interest shown and the support we have received, but we still have a big task at hand. To help those who suffered from the effects of the torrential rainstorm of July 24, 2009, tax-deductible donations can be made at Arnprior financial institutions: CIBC, Scotiabank, Northern Credit Union and TD and at the Township of McNab/Braeside municipal office. Donations may also be mailed to the McNab/Braeside Municipal Office. Pamphlets with information are being distributed by mail to all homes in the township.
