 Tender Closing: Tuesday, August 22, 2017 at 1:00 p.m.

See the Township's website (www.mcnabbraeside.com) for detailed advertisements and contact information.

The Township reserves the right to accept any offer and/or reject all offers, without financial penalty or otherwise, at their sole discretion.

PARK-PAY-GO WITH HONK MOBILE

You can now purchase day passes for our boat launches electronically or with your cell phone using Honk Mobile.
 Set up your account now at www.honkmobile.com or by downloading the App to your smartphone.
 Paper parking passes are still available for purchase at the Township Office, the Burnstown Beach, Waba Cottage Museum & Gardens, White Lake General and the Antrim Truck Stop (during operating hours).

YARD WASTE & BRUSH

Did you know that yard waste and brush is accepted free of charge at the landfill site?
 The landfill is located at 573 Calabogie Road and is open Tuesdays, Thursdays and Saturdays from 8:30 a.m. – 4:00 p.m.

WE WANT TO HEAR FROM YOU!

We currently have two surveys available for you to provide your opinion on a new logo and slogan for the Township.
 Please go to the following links and let us know what you think!
 Slogan – <https://www.surveymonkey.net/r/mcnabbraesideslogan>
 Logo – <https://www.surveymonkey.com/r/mcnabbraesidelogo>
 Links can also be found on our website at www.mcnabbraeside.com

Barbecue Safety

Grilled to Perfection Every Time!

USE BBQS OUTDOORS ONLY! They produce **carbon monoxide**, a poisonous gas that can lead to unconsciousness and even death. Never use or store propane cylinders inside any structure, including garages.

Take these steps when starting a BBQ:

- Open the hood.
- Turn on the gas release valve on the tank.
- Turn on the grill controls or heat settings.
- Take a step back.
- Push the igniter button.
- If there is no igniter button, insert a long match or BBQ lighter through the side burner hole first, then turn on the heat control knob.
- If the burner does not ignite right away, turn the gas off and wait five minutes, keeping the hood open, before repeating the procedure.

At the start of the BBQ season, do this THREE-STEP SAFETY CHECK of your BBQ:

- 1 CLEAN** Use a pipe cleaner or wire to ensure burner ports are free of rust, dirt, spider webs or other debris.
- 2 CHECK** Examine the hose leading from the tank to the burners. Replace it if cracked or damaged.
- 3 TEST** Find leaks by applying a 50/50 solution of water and dish soap to propane cylinder connections and hoses. If bubbles appear, tighten the connection and/or replace the damaged parts and retest.

 Fire Chief Hartwick
 613 623 5756 ext 233

Stay Fire Safe!

Never leave the BBQ unattended when in use.

Make sure grease does not build up on the burners or at the base of the BBQ. This could cause a grease fire.

Never throw water on a grease fire – this will only spread the flame.

DO NOT place the BBQ close to wooden fences or walls, vinyl siding, or anything that can burn. The area behind your BBQ must be free of anything that can ignite – this is where hot gases escape.

Keep loose clothing away from a hot BBQ.

Keep children and pets at least one metre (three feet) away from a hot BBQ.

When finished barbecuing, turn the gas valve off first, then turn off the burner controls so no gas is left in the connecting hose.

Allow the BBQ to cool completely before closing the cover.

If you live in an apartment or condo building, check with the building owner or property manager, or the Condominium Act of your building, regarding the use of BBQs on your building's balconies.
