

DECEMBER 2020

# Holiday Schedule for Private Citizen Drinking Water Sample Drop-off

**Plan ahead to ensure your water sample is tested prior to the holiday.**

**For this location the final drop-off during the holidays is  
Before Christmas: December 22 and 23**

Private citizen drinking water samples will not be accepted on the following days:

December 24, 2020 to January 5, 2021

**Note: samples must be tested within 48 hours of collection in order to ensure sample integrity.**

If you have concerns about your water quality, contact your local public health unit.
