

TOWNSHIP OF McNAB/BRAESIDE CURBSIDE LEAF AND YARD WASTE COLLECTION

In response to the closure of the Township of McNab/Braeside's Waste Disposal site at 573 Calabogie Road due to COVID-19 precautions, the Township will be implementing a special one-time curbside collection program for Leaf and Yard Waste.

The collection period will run the weeks of April 27th and May 4th.

The Leaf & Yard Waste is to be placed at the curbside by 7:30 a.m. on your regular collection day.

The number of leaf and yard waste items put out for collection during this collection period is unlimited. Place your leaf and yard waste at the curb in a separate area than your normal place for regular household waste or recycling.

Approved Leaf and Yard Waste Containers and Sizing

- Leaf and Yard Waste must be placed in Biodegradable Paper Bags or in bound bundles that meet the requirements set out below. Any kind of plastic bags will not be accepted.
- Individual leaf and yard waste containers must not exceed 23 kg (50 lbs.).
- Individual trimmed branches must not exceed 25 mm (1.0 inch) in diameter.
- Bundled branches and twigs must not exceed 1.5 m (5 feet) in length and 0.6 m (2 feet) in diameter. Biodegradable twine shall be used for bundling.
- Do not mix with any household waste.

Please also take note of the following information and restrictions.

- The following items are considered Leaf & Yard Waste: plants, flowers, weeds, leaves, grass clippings, trimmed branches (less than 1.0 inches diameter).
- The following items are not considered Leaf & Yard Waste and will not be picked-up at the curbside: Shrubs, hedges, trees, large branches (larger than 1.0 inches in diameter), stumps, logs, timber, household/construction/hazardous waste.
- Leaf and yard waste containers must be placed in such a manner that they are not damaged or deteriorated from rain or snow to such an extent that they cannot be loaded into the collection vehicle.
- Failure to follow the size restrictions and bundling requirements will result in the material left at the curbside and will be the responsibility of the homeowner to remove. Failure to comply with these requirements will be subject to by-law enforcement.

If your leaf and yard waste is not collected on your regular collection day this may be due to set out volumes for that day in excess of what is anticipated. Our collection contractor will be working to collect any missed stop the following day.
