

June 19th 2019 NOTICE RE: SANDBAGS

Please be advised that Council has awarded the sandbag retrieval tender to “Marshall’s”. Due to having to re-tender, the estimated timeline for retrieval is July 2-26, 2019 (the start date may be sooner, subject to Marshall’s availability). We ask for your continued patience during this time. Residents who do not wish to have their sandbags picked up within this time frame are welcome to use their own resources and take the sandbags to our landfill site instead (free of charge).
