

Usborne Street – Please be advised that the section of Usborne Street that is currently closed, has been closed by the County of Renfrew Public Works Department as this section of the street is under the jurisdiction of the County.

We have asked for an update on when this section will be reopened and once we receive a reply we will post it on our Facebook Page.

We understand this is inconvenient, however, we ask that you remain patient as the County is still in a state of Emergency due to the flooding.

If you have any questions or comments with regards to this street, please direct them to the County of Renfrew Public Works Department at (800)-273-0183 or (613)-732-5343.
