

TOWNSHIP OF MCNAB/BRAESIDE BLUE BOX NOTICE

You can help make recycling in the Township work even better by preparing your recycling to make the process more efficient and litter free. Even by taking small steps to increase the number of items you recycle by 10%, it will keep more than 400 tonnes of waste out of our landfill, and generate more revenue to reduce future waste management costs.

- **Use blue boxes or similar sized containers, do not use garbage containers, garbage or clear bags.**
- **Only shredded paper can be placed in a tied clear plastic bag.**
- **Corrugated Cardboard and Box board (cereal, tissue, etc.) should be flattened and tie in bundles of 24"x24"x8" or smaller and placed beside the blue box.**
- **Newspapers, Magazines & Junk Mail, writing paper and all paper products should be bundled and tied with string and placed beside the blue box. (Litter free)**
- **Plastic film including grocery and bread bags should be stuffed into one bag and secured. (Litter free)**
- **Do not include motor oil, pesticide or herbicide containers.**
- **Do not include mirrors, window glass, light bulbs or broken glass**
