Re: 2020 Doppelganger Tour de Poutine
Date: Sept 10/2020

The Township of McNab/Braeside is pleased to announce the Tour de Poutine will continue for 2020 and occur between September 9th and October 12th. This cycling event was a popular attraction last season, as riders left from Red Pine Bay and cycled upwards of 25km and ended their journeys at Betty's Chips in Braeside with a free refreshment and poutine sample courtesy of this local business. This year, cyclists can participate by registering at the Township office, at which time you will receive a map in your event registration kit. The official route is also online and cyclists can substitute their own alternate routes, however only the first 50 registrants will receive a gift certificate for Betty's world famous poutine, a beverage and surprise swag compliments of McNab/Braeside Township, Betty's Chips and OVCATA. The registration kit can be picked up at the Township office and the cost to participate is only \$10. For more information, please email recreation@mcnabbraeside.com or flatrapids@gmail.com

Tour de Poutine 2020 is surely going to be an event to remember this fall and if you can submit a photo to social media, please use the hashtag #2020tourdepoutine. Information will be posted on the McNab/Braeside facebook page, on twitter @MBTRec and on the Township website (www.mcnabbraeside.com)
