Join us for an exciting paddle on the majestic Ottawa River. The paddle starts at the wharf in Sand Point (10 min west of Arnprior on the River Road) and crosses the river to explore and enjoy the many islands on the Quebec side of the river, across from the town of Braeside. We will cross back to the Ontario side of the river and complete our paddle at Red Pine Bay boat launch and park (642 Usborne St, Braeside) where food and entertainment will be available as part of McNab Days/Braeside Riverfest.
