CHANGES IN RECYCLING COLLECTION PROGRAM

NEW

Commencing in August 2020

The Township recycling collection program will be changing from the existing weekly collection to a dual stream alternating week collection of paper fibres (paper/cardboard) and comingled containers (glass/metal/plastic).

Beginning the week of August 3, 2020 the curbside collection will start on a Week 2 ()

schedule where only the comingled containers (glass/metal/plastic) are to be placed at the curb for collection.

The following week (Week 1) only the paper fibres (paper/boxboard/carboard) are to be set out for collection.

Garbage will continue to be collected weekly.
