New Blue Box Recycling for Non-Residential Properties New

Curbside recycling collection for non-residential properties (Businesses and Community organizations) is provided by the Township of McNab/Braeside, separately from residential collection. The non-residential program will accept the same materials and is collected by the same contractor (Miller Waste Systems) as the residential program being provided by Circular Materials. Effective January 5, 2026, the recycling collection day for the non-residential properties will occur on **Friday**. When a holiday falls on a Friday the collection will occur one day earlier on Thursday. The garbage collection day will continue to follow the existing schedule. Properties impacted by this change have been contacted previously via-direct mail. Any questions about the non-residential recycling can be directed to the Township at 613-623-5756 or rfrew@mcnabbraeside.com
