# Winter Notices

## WINTER SAFETY

For your safety, please stay off all playground equipment during winter conditions. Snow, ice, and freezing temperatures make surfaces extremely slippery and unsafe for use. Thank you for helping keep our community safe.

## OUTDOOR RINK PREP

Work on the Braeside & White Lake ice rinks is in progress. Surfaces are being cleared and prepared for ice formation. Once enough snow has accumulated, a base can be created and flooding will follow. Please stay off the rinks when work is being done.
