

MEDIA RELEASE – TOWNSHIP OF McNAB/BRAESIDE

March 25, 2020

The municipality recognizes the impact this pandemic may have on the families in our community and throughout the entire Country.

As such, the municipality **will not** be charging penalty / interest on past due accounts or amounts not paid related to the upcoming property tax due date. This measure will remain in effect until May, at which time we will re-assess the situation. Residents are still encouraged to make payments if possible, but we understand that extenuating circumstances may prevent some households from making those payments. We will continue to work with ratepayers and no action will be taken against property owners.

The Township office is closed to the public however payments can be made via online banking, mail, at your financial institution, or by placing payment in the mail slot at the front door of the Township Office. Please do not put cash in the mail slot.

Wishing you and your family good health. Stay safe.
