

## TOWNSHIP OF MCNAB/BRAESIDE COMMITTEE OF ADJUSTMENT

### A GUIDE TO THE MINOR VARIANCE PROCESS

Note: This guide has been prepared for information purposes only. For a complete reference to the Minor Variance process, please consult the Planning Act, as amended, which is the governing provincial legislation.

1. The Committee of Adjustment consists of three people who have been appointed by Council.
2. The Committee of Adjustment consults with public bodies which have responsibilities for matters that may be affected by a minor variance. Some of these bodies may include the Planning Advisory Committee, County of Renfrew, TransCanada Pipeline etc.
3. An application for consent is reviewed by the Committee of Adjustment at a public hearing. Applicants or authorized agents are encouraged to attend. As well, any interested person may attend. The Planning Act requires that property owners within 60 meters of the subject property be given notice of any application for consent.
4. The Township requires that all pertinent information be submitted in order to be deemed a complete application. The omission of information will delay the processing of your application. The Registered Owner of the property must sign the application.
5. Two (2) copies of a detailed to scale sketch, with one attached to the application, of the subject lands is required and is to include the following information (inaccurate and/or incomplete sketches will not be accepted):
  - Name of owner
  - A north arrow and scale
  - An accurate plan of the entire property drawn to scale, including all lot dimensions
  - Location and size of existing buildings/structures, including setbacks and yard distances
  - Location and size of proposed buildings/structures, including setbacks and yard distances
  - Location of area for existing and proposed septic system and well
  - Location and dimensions of access driveways
  - Locations of existing right-of-ways or easements
  - Location of existing and proposed vegetation
6. The decision, whether approved or denied, shall be in writing and set out the reasons for the decision. The Committee considers the merits of the application to determine if the proposal is in conformity with the Official Plan and Zoning By-Law, is appropriate development of the land and is minor in nature.
7. A decision of the Committee of Adjustment can be appealed within twenty (20) days of the date of notice of the decision. If no appeal is received within twenty (20) days, the variance is considered final.
8. The **FEE** per application is **\$1100.00** plus all associated Professional Fees (i.e. legal, engineering etc.) - actual cost **with \$3,000 deposit to be paid at time application is submitted to Township.** For a revision to a minor variance the fee is **\$250.00**. This fee is subject to change by the Township of McNab/Braeside. If paying by cheque, please make it payable to the Township of McNab/Braeside.
