# Opportunities

## Recreation Committee

The committee is comprised of residents with an interest in recreation programming and events. We meet once a month for an hour on Wednesday at the Municipal Office at 7 pm, breaking for July and August.

Members contribute feedback and suggestions, discuss upcoming programs and events, and may be tasked to help research or source equipment, programs, or comparable events.

## Programs

Do you love working with people, preparing activities, leading a group lesson, or sharing a skill? Then do we have a place for you!

Please let us know your expertise and age-group comfort zone, and we will work together to keep you busy and happy.

# Opportunities

## Special Events

Lend support at community events; MidSummer Herbfest, White Lake Carnival, and Canada Day are among some of our bigger events.

In addition to our large events, we have opportunities to volunteer at the McNab Center Park (MCP) ball diamond on Calabogie Rd. as a canteen host during ball games, or at one of our community centers as a bartender (Smart Serve is required).

## Gardens

A green thumb is not mandatory, just an appreciation for working outdoors. Activities include helping to prepare garden beds, plant new items, weed and tend to basic yard work (not trimming or mowing).

Volunteers can select one specific site or be part of the travelling group lending a hand at a few sites.
